A close-up photograph of a wooden surface, likely a table or desk, showing a prominent knot and the natural grain of the wood. The wood has a warm, light brown tone with darker, wavy grain patterns and a central knot with a darker, more textured appearance. The lighting is soft, highlighting the texture of the wood.

A close-up photograph of a light-colored wood surface, likely oak, featuring a herringbone or chevron pattern. The wood grain is clearly visible, showing natural variations in color and texture. The pattern is formed by the interlocking of wood planks, creating a series of V-shapes. The lighting is even, highlighting the smooth finish of the wood.
